Yes.

Done! Would you like me to set a reminder for you?

Yes.

At what time would you like the reminder?

5:00 pm

Is there anything else I can help you with?

Has the mail arrived today?

Yes, the mail has arrived.

There's a powerful new voice for your residents. Their own.

Introducing Connect2Affect Connected Communities™ from AARP Foundation.

It's a voice-activated assistant and community management platform that empowers resident service coordinators to help every resident be happier, healthier and more connected.

Informed by AARP Foundation's commitment to meeting the needs of older adults, Connect2Affect Connected Communities is the result of a rigorous, evidence-based approach. Connect2Affect Connected communities will help you transform your community. And, it's easy-to-use and fits within your budget.

Endless possibilities for your community are **here.**

A web-based community management platform

The platform allows housing services staff to easily manage and push out relevant information.

Discounted pricing for voice-activated technology

AARP Foundation will help you make the most of your budget.

Technical support

Ongoing technical support ensures you always have answers.

A custom curriculum for you and your residents

Curriculum designed specifically for older adults that supports shared learning in a fun and interactive peer based model.

Program implementation guidance

AARP Foundation team members work with you every step of the way.

On-site training

AARP Foundation team members will train you and your residents to ensure you make the most of the voice-activated technology and community management platform.

Personalization

AARP Foundation allows your residents to personalize their device so they can call their family, play their favorite songs and set reminders that ensure they stay healthy.

Voice-activated technology opens the door for your residents to connect with others, gain access to information, and enjoy freedom and independence.

AARP Foundation[®]

For a future without senior poverty.

AARP Foundation's commitment to your residents is informed by our commitment to meet the needs of older adults. AARP Foundation team members are ready to introduce you to Connect2Affect Connected Communities, show you how easy it is to use and work with you to design a program that fits within your budget and your day. Connect2Affect Connected Communities will help you transform the lives of your residents and their community.
